Help Raise the Roof on our New Accomack Sponsorship House!

Habitat announces a new Christmas campaign for our next house – and it’s by the square foot!

Called Accomack Sponsorship House, every square foot is up for sponsorship at \$40 each- all 999 square feet of it. The goal is to raise \$39,960 for Accomack Sponsorship House over the next few months.

Habitat will provide a poster display in the office showing the marked off floor plan. Each square foot will be highlighted as it is sponsored.

Donors will be honored with a colorful 8”x10” certificate as well as a copy of the floor plan illustrating their sponsorship in recognition for the donation. Please let us know if you would like the name on the certificate to be different than the name on the donation check.

For every \$500 donation, the donor will receive 40% back on their State taxes as well as a \$500 itemized deduction on their Federal taxes.

This would make a great gift for those hard to buy for people on your Christmas list! It is a gift that will continue giving long after the holidays are over. The donor receives a
